She woke up this morning not looking the same.

PINKALICIOUS

That would be very pretty but I don't think boys would like it. (*bumps into PETER on 'boys'*)

PETER

What? Dr. Wink, excuse me, but, um, I'm a boy and I....

DR. WINK

Yes? You what?

(Track 6 continues into PINKATITIS - ALL CAST)

"PINKITITIS"

DR. WINK (*SUNG*)

Your daughter has a case of – pinkitis!

MRS. PINKERTON & MR. PINKERTON (*spoken*)

Pink-a-whatis?

DR. WINK (*SUNG*)

**It's the most amazing case I've ever seen,
It's a cousin twice removed from gingivitis
with a dash of beriberi in between.
It starts when too much pink gets in the system
which excites the inner epidermal glands.
It starts at your head,
goes to your toes,
travels 'round your tummy and goes back to your nose.
Your daughter has a case of pinkitis,
It's the most amazing case I've ever seen,
And the only cure that's known to modern science,
Is a steady dose of foods that are green
-I really mean it
A steady dose of foods that are green
-so eat your cabbage
And a steady dose of foods that are green.**

(DR. WINK breaks into an enthusiastic tap dance, PETER runs offstage right, and brings back on a Top Hat and Cane for the tap dance.)

PETER

(end of tap dance) I wanna be a doctor!

(MR PINKERTON quickly grabs top hat and cane from Peter and takes them offstage)

PINKALICIOUS

(very serious) I have pinkitis?

(then joyfully) Yippee! Call me Pinkerella!

(PINKALICIOUS jumps off the table and spins around, holding her magic wand.)

MR. PINKERTON

(to himself) Oh no!

MRS. PINKERTON

I can't believe she has pinka-likes-it!

PINKALICIOUS

Will it last forever, Dr. Wink?

DR. WINK

If it gets worse, you will have to be quarantined. That means you'll have to be all by yourself-- no birthday parties, no field trips, no play-dates.

PINKALICIOUS

None?

MRS. PINKERTON

How will we know if it gets worse?

DR. WINK

(gleefully) The pink will intensify.

MR. PINKERTON

Oh dear.

MRS. PINKERTON

More pink?

DR. WINK

I'm going to take a sample of her saliva for additional testing. There has only been one other documented case of pinkitis. Open wide, Pinkalicious, while I swab the inside of your cheek. I've never actually had the opportunity to diagnose a case like this before.

(PINKALICIOUS opens her mouth, and DR. WINK swabs at the inside of her cheek with a Q-tip and puts it in her pocket.)

PETER

Can I bring her to school for show and tell?

MRS. PINKERTON

Her school picture is coming up! I just got her a new orange dress and it's going to clash with her pink complexion. I can't believe this is happening, after all the healthy food that I have fed my children, after all the money I have spent at the organic food co-op!

(MRS PINKERTON is manically doing a yoga pose. MR PINKERTON carefully removes his wife from the pose so they can listen to DR WINK)

DR. WINK

For the next week, no more pink cupcakes, pink bubble gum, or pink cotton candy. No pink foods.

TRACK 7: PINKATITIS REPRISE (ALL)

In defiance

PETER

You know, this would NOT have happened if we just had cookies like I wanted!

PINKALICIOUS

Look! There's the playground! Can we stop? Can we stop? Pleeease?

(PINKALICIOUS and PETER 'break' the tandem and their bikes jump out to the sides)
Maybe Alison will be there.

MRS. PINKERTON

(her bike still 'locked' with MR PINKERTON) No, dear. You have pinkitis. We have to take you right home.

MRS. PINKERTON/MR PINKERTON

Pinkalicious, come back here! Honey, go get her! (*adlib, etc.*)

(*MR and MRS PINKERTON 'bike' together around a big circle on the stage*)

(*to audience*)

MRS PINKERTON: Hi...

MR PINKERTON: This is embarrassing...

MRS PINKERTON: We don't know how to say this but –

MR PINKERTON: – We seem to have misplaced our children.

MR & MRS PINKERTON: Whoops!

MRS. PINKERTON

Shout it out if you see her!

(*MR and MRS PINKERTON 'break' their 2-tandem, into 2 individual bikes – they 'bike' down to the two downstage corners to continue adlib with the audience*)

MR PINKERTON: Yes please.

(*Begin ad lib, along the lines of*)- She's this high (*gesture*), she's dressed all in pink, and our son Peter, he's in a yellow shirt, (*etc*) ... Can you help us find them? I can't hear you! (*and so on – adlib a few lines of this idea, overlapping each other*)

What did you say?! You see her? Where is she? I can't see her? Are you sure? She's all in pink, etc...

(*while PARENTS continue adlib in the corners – PINKALICIOUS sneaks onstage from off stage, and runs around, waves/playful gestures to the audience from behind her parents' backs. Then she calls out loudly – “YOO-HOO”!, MR and MRS PINKERTON turn in to look upstage center, but PINKALICIOUS ducks out of sight. Then this sequence happens a 2nd time: parents adlib, Pinkalicious plays then calls out 'yoo-hoo' and they turn out to look back, but she's gone.*)

MRS. PINKERTON/MR PINKERTON

(*on PINKALICIOUS' 3rd “YOO-HOO!”*) Okay!

(*Parents 'bike' around to upstage center, catching PINKALICIOUS between their bikes*)

MRS. PINKERTON

Pinkalicious, there you are! (*MR and MRS PINKERTON get off their bikes, MR PINKERTON takes both bike handlebars offstage right*)

Look at these gorgeous flowers in bloom in the park. Oh, but we have to go home.

PINKALICIOUS

They're pink like me! The flowers are so beautiful! I feel like I am in Pinkatopia!

MRS. PINKERTON

Well, maybe some fresh air would be good for you, Pinkalicious.

(MRS PINKERTON and PINKALICIOUS cross to look at flowers stage right,

MR PINKERTON enters, crosses downstage left looking out over audience, searching for PETER)

PETER

(enters with a pink rubber handball in his hand)

Hey look, Dad, here's a pink ball! Isn't it great? Daddy, will you play catch with me?

MR. PINKERTON

Oh, we can't play catch with a pink ball.

(MR. PINKERTON takes the ball from PETER.)

PETER

(dejected)

Why not?

MR. PINKERTON

Because... Because I said so. We'll give it to Pinkalicious.

(he crosses to PINKALICIOUS and MRS PINKERTON)

PETER

I don't want to give it to Pinkalicious. I ummmm....

MR. PINKERTON

(sternly)

Now Peter, I don't want to see you cry over a pink ball. Here Pinkalicious.

(hands her the ball)

PINKALICIOUS

Wouldn't it be great if this whole playground were pink like me? Pink swings. Pink monkey bars. Pink slide. A sand box with pink sand?

(PINKALICIOUS runs offstage, followed by MR and MRS PINKERTON who are calling after her)

PETER

(calls after them)

I want to play with the pink ball. I ummmm....

**TRACK 8: PETER'S PINK BLUES (ALL – keep backstage mics on during PETER solo onstage)
GO: beginning of PETER'S “ummmm...”, track plays out to end.**

PETER (SUNG)

**My daddy done told me that pink ain't right for boys
but all I want's a pile of magenta toys.**

**I got blue jeans, black shoes, a shirt so yellow you'd blink
but the one thing I ain't got is something colored pink**

**People say that pink's for girls and not for guys
but pink's the coolest color to my eyes**

(MR and MRS PINKERTON enter, dance and sing backup upstage of PETER)

**It takes a strong boy to love the color pink
to stand up to what all the people think**

**I got the pink blues, tell me what you say
give me some pink each and every day.**

**I got the pink blues, keep me away from all that brown
stay away from black and gray it'll only make me frown.**

**Don't want no navy, cobalt or cyan
just get me some pink, let me be who I am.**

**I got the pink blues
in every fuschia hue
What am I gonna do?**

(MRS PINKERTON EXITS, MR PINKERTON discovers a football and shows it to PETER)

MR. PINKERTON

Oh...look Peter...here is a football. We can play with this.

PETER (SUNG)

What am I gonna do?

(MR. PINKERTON throws football to PETER, who catches it on final button of the song, then he grabs PETER and they exit offstage together)

(ALISON enters humming, skipping playfully, followed by PINKALICIOUS)

PINKALICIOUS

Oh, look, there's Alison. ALISON!

(She waves to Alison with her magic wand. Alison doesn't see her. MRS PINKERTON enters.)

ALISON

Hi, Mrs. Pinkerton, I heard Pinkalicious calling me. Is she here? Can I play with her?

MRS. PINKERTON

Yes, she's right here. *(gestures in PINK's direction without looking at her)*

ALISON

Where?

MRS. PINKERTON

Well, I just saw her. Now where did she go?
(they look for PINKALICIOUS and don't see her, PINKALICIOUS – standing amongst the pink flowers –waves frantically to get their attention)

ALISON

I don't see her.

MRS. PINKERTON

She couldn't have just disappeared. Pinkalicious, where are you? Don't play games like this!

PINKALICIOUS

(realizes she blends in with the flowers, and moves out to view) I'M RIGHT HERE!!!!

MRS. PINKERTON

Oh Alison, she is standing right there! Look, she is next to the pink peonies. Now where's Peter? *(MRS PINKERTON exits)*

ALISON

(still doesn't see her) Huh?

PINKALICIOUS

ALISON, are you trying to be funny?

ALISON

Ohhhhhh, NOW I see you. I couldn't see you before because you blended in with the pink flowers. You look so different. Did you get a new haircut?

PINKALICIOUS

Nooooooooo.

ALISON

Is that a new outfit??

PINKALICIOUS

Nooooooooo.

ALISON

Did you lose a tooth?

PINKALICIOUS

Alison, look at me, I'm...

ALISON and PINKALICIOUS

Pink!

ALISON

You're so lucky! How did you turn pink? Can I turn pink? Is it genetic?

MRS. PINKERTON

(re-entering on the search for PETER) She has pinkatitis. Where did Peter go?
(she exits again)

ALISON

Wow! Can I have some of your pinkatitis? Where did you get it? Is it on sale? How much did it cost?

PINKALICIOUS

Nothing, I just ate pink cupcakes! Isn't it divine?

ALISON

Hey, where is my cupcake? You said I could have one! I share everything with you. Why don't you share with me?

PINKALICIOUS

Alison, I do-

ALISON

I want to be pink, too! Why should you be the only pink girl in school? I want to be pink, too!

PINKALICIOUS

Alison, the doctor told me I have to eat green food! Yuck!

ALISON

That's disgusting! I don't care though. You said that you would bring me a cupcake. You promised. You lied. I'm not going to be your friend anymore. Why would I want to be friends with a giant jellybean anyway? *(starts to exit)*

PINKALICIOUS

But, Alison-

ALISON
I'm not going to invite you to my birthday party!
(ALISON runs off-stage.)

TRACK 9: BUZZ OFF (ALL)

(Final pose for applause.)

(Track 9 continues after built-in pause for applause – buzzing/swarm music) – DON'T PAUSE

(Bumblebees, butterflies, and birds swarm around PINKALICIOUS buzzing, fluttering and pecking at her. BEE and BUTTERFLY 1 exit off during swarm and quickchange back to be Parents, BIRD and BUTTERFLY 2 continue to chase and swarm her)

PINKALICIOUS

Help me! Stop them, Mommy, please, take me home!

(she continues calling Parents for help until MR PINKERTON enters on following cue line) “Daddy please come quick!”

MR. PINKERTON

(enters) Quick, before you get stung!

TRACK 10: 1-2-3 (Mr. Pinkerton) – pause end of track on end of fart noise.

GO: visual – when MR PINKERTON reenters and Alison/Butterfly 2 crosses between PINKALICIOUS and MR PINKERTON

MR. PINKERTON (IN TIME WITH MUSIC)

(tug of war – MR PINKERTON pulls Pinkalicious, BIRD holds her back)

One, two, three, AGAIN, *(BIRD grabs BUTTERFLY 2's hand for help)*

One, two, three, AGAIN, *(MRS PINKERTON reenters, and helps MR PINKERTON pull)*

ONE, TWO, THREE.

(BIRD and BUTTERFLY 2 sudden let go at end of 'THREE' and PINKALICIOUS, MR PINKERTON, and MRS PINKERTON all fall down. Then BIRD and BUTTERFLY 2 continue to dance around another moment before they bump into each other – on fart noise - and fall down as well.)

MR. PINKERTON

(as he gets up) Pinkalicious, we're going home. You need to eat green food right away. Someone might see you. I don't want anyone else to see that I have a pink daughter.

TRACK 11: WHEN DREAMS COME TRUE REPRISE (Pinkalicious) - track plays to the end.
GO: end of MR PINKERTON's "...that I have a pink daughter"

MRS. PINKERTON

(as she gets up) Yes, it's time to go home.

(MR and MRS PINKERTON move to exit – do scene change with PETER and ALISON)

PINKALICIOUS (SUNG)

(downstage of sc change)

I'm pink as a sunset

I'm pink as a firework

I'm pink as a valentine

But I'm starting to think pink has a kink

but what's the link?

SCENE 5: the Kitchen

(family is seated around the table, PINKALICIOUS sits away on the floor in a pout)

MRS. PINKERTON

Pinkalicious, come sit down. I made a special meal just for you, so that you can be yourself again.

Here you go. Here is a lettuce sandwich with green cheese. Hmmm!

(she nudges MR PINKERTON when he doesn't respond immediately)

MR. PINKERTON

Hmmm! I love green cheese! Pinkalicious, eat some of these French fried lima beans now.

PETER

Can't we have cookies for dessert? When are we going to make cookies?

MRS. PINKERTON

(MRS PINKERTON brings PINKALICIOUS to the table and sits her on a stool.)

No cookies. Tonight I have something really special: broccoli popsicles. Hmmm!

MR. PINKERTON

(gets nudged by MRS PINKERTON again) Hmmm! The lima beans are so squishy.

And this spinach macaroni and celery is nice and crunchy. Peter, stop playing with your food.

PINKALICIOUS

I can't believe Alison didn't recognize me and then got so angry at me.

**(Track 12 continues, plays as underscore, under dialogue - *Mr Pinkerton. Pinkalicious*)
if not played out, then PAUSE after PINKALICIOUS's "...pink grapefruit?"**

MR. PINKERTON

If you don't eat your green food like the doctor told you, you'll never be normal again.
You'll grow up to be nectar for the bees. Now you wouldn't want that would you,
Pinkalicious?

PINKALICIOUS

Those birds wanted to eat me. I can't go outdoors anymore!

MR. PINKERTON

Promise me, Pinkalicious, that you'll never eat pink food again!

PINKALICIOUS

Never ever?

MR. PINKERTON

Never!

PINKALICIOUS

Not even pink grapefruit?

MR. PINKERTON

No pink food!

PINKALICIOUS

OK, I promise.

(turns her back to the audience to show that her fingers are crossed)

MRS. PINKERTON

Who would like another glass of grass juice?

PINKALICIOUS

No way! I wouldn't drink that for all the bubble gum in the universe. I'm going to play with the racing car set.

PETER

Those are mine. *(PETER pulls on PINKALICIOUS's pigtail, Parent separate them)*

PINKALICIOUS

Peter's pulling my pinktails! He's green with envy!

MR. PINKERTON

(sternly to PINKALICIOUS)

That's enough.

PETER

Can I drink her asparagus milkshake?

PINKALICIOUS

Yes!

MRS. PINKERTON

Don't give away your green food. You must do what the doctor told you and eat your green food.

MR. PINKERTON

That's right. If you can't listen to us and you can't listen to Dr. Wink, then you need to go straight to bed.

PINKALICIOUS

Fine!

(PINKALICIOUS exits in a huff.)

PETER

Nobody cares when I eat my green food.

(suddenly realizes, and calls out to PINKALICIOUS)

Don't touch my racing cars!

(PETER exits)

(MRS PINKERTON starts putting Green Food Plates back in the Fridge)

MR. PINKERTON

We HAVE to get Pinkalicious to eat green food. Dr. Wink said the pinkitis is severe and will probably worsen.

MRS. PINKERTON

Worsen?

MR. PINKERTON

She said it can go to her head, and she could develop pink eye pinkitis.

MRS. PINKERTON

What does that mean?

MR. PINKERTON

She wouldn't be able to see any color other than pink.

MRS. PINKERTON

(as she grabs the Cookbook) You mean our daughter would never be able to see the colors in a stop light?

MR. PINKERTON

She'd never know whether to stop or go.

MRS. PINKERTON

(puts Cookbook on the table) She would be stuck forever.
(she grabs Broom and starts sweeping, while looking through the cookbook)

MR. PINKERTON

If she doesn't improve, we'll have to bring her back to Dr. Wink for more testing.
If our daughter can only see pink, we won't be able to go places and do all the fun things we do.

MRS. PINKERTON

But we never go places. *(continues activity)*

MR. PINKERTON

What do you mean? We do lots of fun things. We just went to... um...and then we did...ah...and we saw the...um, ah.... Gosh you're right! What are we doing all the time?

MRS. PINKERTON

Well, I'm very busy, if you haven't noticed.

MR. PINKERTON

Wow, I just noticed.

(For the first time in the play MRS. PINKERTON stops moving and sits down.)

MRS. PINKERTON

(she sits on a stool)

And have you noticed your children?

MR. PINKERTON

(joins her after putting Broom away) What do you mean?

MRS. PINKERTON

Take a look at Peter-- he loves pink. Have you ever noticed that?

MR. PINKERTON

He can't love Pink. He's not ALLOWED to love pink.

MRS. PINKERTON

Why?

MR. PINKERTON

Because... (*gets up nervously*) because...

MRS. PINKERTON

Because why?

MR. PINKERTON

This is hard for me to talk about.

TRACK 13: MR. PINKERTON REMEMBERS (*Underscoring*)

GO: end of 'about' on MR PINKERTON's "...for me to talk about" – track plays out to end

MRS. PINKERTON

Why, honey? What is it?

MR. PINKERTON

Remember how Dr. Wink said there was one other case of pinkitis? Well, I was THE person who had pinkitis. I admit it, ok? It was me. I used to love the color pink and one day when I was a boy I ate one too many pink lollipops. I turned pink from my toenails to my hair follicles. Do you know what that is like for a boy? It was so embarrassing. All the children teased me in school.

MRS. PINKERTON

Oh, honey, I didn't know. I am so sorry.

MR. PINKERTON

It was horrible. No one would play with me. They called me names. They called me Pinky Winky.

MRS. PINKERTON

It could have been worse. They could have called you Stinky Pinky Winky.

MR. PINKERTON

They called me that too. Don't you see? I just want to protect my children. I don't want Pinkalicious to go through what I went through. I don't want Peter to have to deal with

that either. I thought if I didn't allow him to play with pink toys, perhaps he might stop liking the color pink.

MRS. PINKERTON

Have you stopped liking the color pink?

MR. PINKERTON

Oh darling, it's been years, and I don't want anyone to make fun of me...

MRS. PINKERTON

It's just me here, honey.

MR. PINKERTON

Well...I LOVE THE COLOR PINK!

MRS. PINKERTON

ME, TOO!

(MR and MRS PINKERTON rush to embrace excitedly, then exit happily together)

TRACK 14: THE NIGHT KITCHEN (*Underscoring*) – plays out to end
GO: PINKALICIOUS “Hello!” as she enters

(PINKALICIOUS cautiously enters the kitchen.)

(the following is loosely based on audience response – if audience is more vocal and specifically calls out objects that are required then PINKALICIOUS adjusts her text accordingly. The entire scene is underscored, so PINKALICIOUS must also time the scene to fit correctly into music allowed)

PINKALICIOUS

HI! I know I promised not to eat any more pink cupcakes, but they taste so delicious, and after eating nothing for dinner, I am starving!

(waves her flashlight across the kitchen)

Now that everyone is asleep, I can sneak just one more pink cupcake. But where could they be? Come out, come out wherever you are. Are you in here? Under here? Oh where are you?

(looks all over for the cupcakes)

Does anyone know where the cupcakes are? Shout it out if you see them!

(Night Kitchen Cupcakes pop up on top of Fridge, bouncing around)

Oh, look, here they are! *(she struggles reaching for the cupcakes, then asks the audience:)* How can I reach them?

Maybe this stool can help me. *(climbs on knees on stool, struggles and fails to reach)*

No, I still can't reach them. Does anyone have any ideas?
(audience member may suggest standing on the table)
No I can't stand on the stool, that's dangerous! Any ideas??
(hopefully someone calls out for the table) A table! That's a good idea!
(she starts to move the table

MR PINKERTON

(from offstage, makes a table screeching noise) SCREEEECH!

PINKALICIOUS

Shhhh, table you are very loud. I don't want anyone to wake up. I don't want to get in trouble.
(she puts table in front of Fridge, then puts stool on top of table, climbs up and struggles to reach, and fails) I'm still not tall enough. What am I going to do?

(if audience doesn't call out for the Cookbook) I know! Here's a book: Three Steps To Achieving Your Dreams. This will definitely work!

(She places the book on the stool. She climbs on the table, the stool, and the book, counting her steps out loud on the way up.)

One...two...three! I've got them! (be sure this line is on the drum roll in musical underscoring)

(looks at the audience)

Should I eat them all?

(listens for the audience to answer)

I am just going to have one more. Just ONE more and that is it. Oh, how pinkalicious!

(She climbs down carefully holding her prized cupcake and tiptoes back to her bedroom.)

You're red!!

PINKALICIOUS

(PINKALICIOUS runs to the mirror) **What? I'm red? AHHHHHHHHHHH!**

PETER

You're on fire!

PINKALICIOUS

I've gone from a jellybean to a red hot!

(PETER reaches out and touches PINKALICIOUS carefully with one finger.)

PETER

No, you're not hot, just red.

PINKALICIOUS

But I don't want to be red! I want to be pink!

PETER

You look good red. Like a big strawberry. You'll make a great devil for Halloween.

PINKALICIOUS

I shouldn't have eaten that cupcake last night! What was I thinking?

PETER

You ate another cupcake? Where were they? You found them?

PINKALICIOUS

They were on top of the refrigerator.

(pouts)

I hate red!!!!

PETER

Don't worry, Pinkalicious, you'll be fine.

PINKALICIOUS

(looks at PETER and starts giggling) Peter, you're dressed in pink!

PETER

What are you talking about?

PINKALICIOUS

I know the color pink when I see it.

PETER

Ok, what color is your pink princess pillow?

PINKALICIOUS

Pink, duh.

PETER

What about the whites of my eyes?

PINKALICIOUS

Pink.

PETER

You're seeing everything in pink!

MRS. PINKERTON

(from off-stage)

Pinkalicious? Peter? Where are you?

TRACK 16: PINKALICIOUS AND PETER PONDER THE PREDICAMENT, GREEN FOODS
(PINKALICIOUS & PETER) – track ends in rooster crow
GO: end of MRS PINKERTON's "where are you?"

PETER and PINKALICIOUS

OH NO!

PINKALICIOUS

I have to do something, Peter. If Mommy and Daddy see me all red I will be in BIG trouble! You have to help me!

PETER

What's in it for me?

PINKALICIOUS

Um... (*idea*) I will never touch your toys again!

PETER

Promise? And maybe sometimes I can get MY way, instead of you always getting YOUR way? Can you promise that?

PINKALICIOUS

OK, OK. I PROMISE you can get your way some of the time. Now will you help me?

(PETER 'ponders' while waiting to start the song)

PETER (SUNG)

**You can't see colors, out of the blue
A problem yes, but what to do?**

PINKALICIOUS (SUNG)

**Kinda scary
Yes, very?**

PETER (SUNG)

Looking like a giant berry.

PINKALICIOUS (SUNG)

**First I'm pink now I'm red
I'd rather be myself instead
What to do?
Gotta think
No more trips to Doctor Wink!**

PETER (SUNG)

Hey I never got my sticker...

PINKALICIOUS (*spoken*)

What?!

(SUNG) Focus Peter, Focus Peter!

PINKALICIOUS (*SUNG*)

What to do? Gotta think

Lots of cupcakes made me pink

PETER (*SUNG*)

One too many hurts the sight

No, this really isn't right

PINKALICIOUS (*SUNG*)

Lots of things I'll never see

What an awful way to be

WAIT!!!

The answer's pretty clear

Makes a lot of sense I fear:

No more cupcakes!

No more cupcakes!

No more cupcakes!

No more cupcakes!

PETER

(spoken, keeps going until PINKALICIOUS stops him)

No more cupcakes!

No more cupcakes!

PINKALICIOUS

(spoken) I KNOW.....!!!!!! (thought) **(SUNG) I need to eat green food!**

PETER (*SUNG*)

We need to run to the kitchen

to rectify your curse!

PINKALICIOUS (*SUNG*)

A very scary problem

with no time to rehearse!

PETER (*SUNG*)

To take your red complexion

and send it in reverse!

PINKALICIOUS (*SUNG*)

Let's run off to the kitchen

before it all gets worse!

PINKALICIOUS AND PETER (SUNG)

**Let's go to the kitchen
go to the kitchen
go to the kitchen
go to the kitchen**

PETER (*spoken*)

Shh, Mommy and Daddy will hear us.

PINKALICIOUS AND PETER (SUNG)

**go to the kitchen
go to the kitchen
go to the kitchen
go to the kitchen
go to the kitchen
go to the kitchen
One Two Three Four!**

(scene changes behind them, from bedroom back into kitchen. MR PINKERTON, MRS PINKERTON, and ALISON do the change)

PETER (SUNG)

**It's really chunky
Like a green glob stew**

PINKALICIOUS (SUNG)

**Peter put it on a spoon
I know what I gotta do**

(PETER hands her a spoonful. PINKALICIOUS brings the spoon towards her mouth but moves her head back.)

PINKALICIOUS (SUNG)

PINKALICIOUS

What's next?

(Peter grabs the Green Food Liquid Container from Fridge)

PETER

Celery stalks floating in pickle juice with bits of eggs, scallions and green onions!

PINKALICIOUS (SUNG)

**I'm gonna be brave and learn to love this stuff
I'll gulp it down like I can't get enough
If fish eat algae in a lake,
Then this'll be a piece of cake!
I'm gonna be brave and learn to love this stuff!**

Green food!

(Track 16 continues - GREEN FOODS *playoff* – track ends in rooster crow, PAUSE after crow.

(There is thunder, lights flashing. PINKALICIOUS starts to shudder)

PINKALICIOUS

What's happening to me?

(PINKALICIOUS and PETER run offstage in confusion. Blackout, then 'morning' lights come in with rooster crow. MR PINKERTON brings on ONE Stool and pre-sets upstage center of table in blackout, is reading the newspaper as lights come up. During following Parents' dialogue, PINKALICIOUS then does quickchange with ALISON's help, from Red back to Normal, off-stage right.)

MRS. PINKERTON

(entering, grabs Dish Towel and starts wiping the table) Honey, where is Pinkalicious? I haven't seen her all – *(notices the green food, unexpected to be on table)* morning.

MR. PINKERTON

I don't know. I haven't seen her. Maybe her pinkatitis is causing her to sleep late.

MRS. PINKERTON

Do you remember where I put the cupcakes? I could have sworn I hid them on the refrigerator. You didn't eat them did you?

MR. PINKERTON

No, not me. You don't think Pinkalicious ate them, do you?

MRS. PINKERTON

She couldn't have, *(looks to MR PINKERTON suddenly worried)* she wouldn't have...

(PINKALICIOUS enters. She is herself again.)

PINKALICIOUS

Good morning!

MR. PINKERTON

You're...you're cured!

MRS. PINKERTON

Oh my little girl! How does it feel?

(hugs PINKALICIOUS)

PINKALICIOUS

Much better. I'm back to being me. I'm not pink, I'm not red, and I can see lots of colors now. I'm beautiful just the way I am.

MR. PINKERTON

What do you mean? You turned red?! Oh no, that's just what I was afraid of!

PINKALICIOUS

Don't worry, Daddy. I'm all right now. I will always love pink. After all, my name IS Pinkalicious, but a little pink goes a long way.

MR. PINKERTON

(hugs PINKALICIOUS)

I am so proud of you!

MRS. PINKERTON

It's time for this family to have more fun!

TRACK 17: DOORBELL *(Sound effect)* – PAUSE at end of doorbell sound
GO: on end of "...fun!"

(ALISON enters with Magic Wand.)

ALISON

Hi, I found Pinkalicious's magic wand at the playground. It was broken but I fixed it.

(hands it to MRS PINERTON, who displays it playfully, while still holding the dish towel)

Wow, look at you Mrs. Pinkerton! You look like a fairy princess!

MRS. PINKERTON

I feel like a fairy princess!

(playfully tosses her Dish Towel onto the floor)

I seem to have dropped my dish towel!

MR. PINKERTON

(joins the play, acting the gallant gentleman) Allow me, my Pinkerbelle.
(picks up the Dish Towel)

MRS. PINKERTON

(to audience) Pink is also power!
(MRS and MR PINKERTON lightly dance, off to the side during the following dialogue)

ALISON

How come you folks have ALL the fun? My house is so beige compared to this one.
(sees PINKALICIOUS)
Pinkalicious, you're not pink anymore!

PINKALICIOUS

Yep, I'm back to being me.

ALISON

How'd you get back to normal?

PINKALICIOUS

I ate green food.
(ALISON gasps.)
Can you believe it? The food was actually delicious! Plus it did the trick.

ALISON

(in total awe) How brave!

PINKALICIOUS

Yes, I am brave. Peter is the only one who knows just how brave I am.
(with regret) Alison, I'm sorry about our fight at the playground.

ALISON

I'm sorry, too. Let's be friends again. *(the girls hug)*
(to Parents) Do you think I could have a cupcake now?

MR. PINKERTON

They're all gone. Did you eat them Pinkalicious?

PINKALICIOUS

No, I learned my lesson. There is such a thing as TOO MUCH of a good thing.

MR. PINKERTON

Well, Pinkalicious, if YOU didn't eat them, who did?

TRACK 18: PINKABOO (PETER) – plays to the end
GO: end of “...who did?”

(PETER runs into the room. He is as pink as PINKALICIOUS was and is carrying a tray of stupendous cupcakes. They are decorated with cookies. Everyone gasps when they see him.)

PETER (SUNG)

Pink-a-boo!
Pink-a-boo!
Isn't it funny what
what a little pink will do?

Pink-a-boo!
Pink-a-boo!
Now look at me you see I am as
pink as you
-were?

PINKALICIOUS

Wow, Peter, you're PINK! And where did you get those? They look delicious!

PETER

I made them myself. They are cupcakes AND cookies in one, a cupcookiecake. I've decided I like cookies AND cupcakes. *(notices ALISON salivating over them)* Would anyone like a cupcookiecake?

ALISON

Why yes, Peter, I would LOVE a cupcookiecake. *(PETER hands her one)* Thank you!

MRS. PINKERTON

I'll take one of those cupcookiecakes, if you please. *(PETER hands her one across the table)*

(PETER cautiously looks to MR PINKERTON to see if he wants one, after a brief pause MR PINKERTON gestures for PETER to give him one)

PETER

Would you like to eat one, too, Pinkalicious?

PINKALICIOUS

Eat one? Just one?
(ALL lean forward to PINKALICIOUS, holding out their cupcakes in temptation)

PETER

Well, Pinkalicious, aren't you going to have one?

PINKALICIOUS

(closes her eyes and breathes in the sweet aroma and then sighs)

No thanks, Peter. I'm going to eat this green apple instead.

(picks up Green Apple, offers it to PETER)

Here, Peter, it looks like you're going to need some green food, too.
I'm glad I'm not the pink one anymore!

(MRS PINKERTON exits with stool)

ALISON

Really Pinkalicious? Is pink still your favorite color?

TRACK 19: FINALE (ALL) – track plays to the end
GO: end of “...favorite color?”

MR. PINKERTON

I have a thing or two to say about pink!

MR. PINKERTON (SUNG)

**If there's one thing in the world that I love
more than anything,**

**If there's one thing in the world that I hold
above anything**

**It's a daughter like no other
and her most amazing brother**

**If there's one thing that makes me want to laugh
More than anything**

**If there's one thing that makes me feel inspired
to do anything**

**and I may not always get it,
even so, I won't regret it.**

It's time we had a lot more fun!

(MRS. PINKERTON re-enters wearing a pink ball gown and a pink feather boa, holding a bright pink jacket for MR. PINKERTON. All gasp in awe and comment at her beauty.)

PINKALICIOUS (SUNG)

I thought you didn't like pink?

MRS. PINKERTON (SUNG)

Long story.

ALISON (SUNG)

I wanna hear!

MRS. PINKERTON (*SUNG*)

Another time, dear

PINKALICIOUS (*SUNG*)

But why?

MR. PINKERTON (*SUNG*)

Why? Why it's clear!

Pink is love

Yes, by far

Pink is something that's just who you are

MR. PINKERTON (*SUNG*)

Pink is joy

Pink is love

PINKALICIOUS & PETER (*SUNG*)

It's the color of joy

It's the color of love

MRS. PINKERTON (*SUNG*)

Pink can end

Any sorrow.

PETER (*spoken*)

Pink is sweet!

MRS. PINKERTON (*SUNG*)

With some green food tomorrow.

PETER AND PINKALICIOUS

Pink is joy

Pink is love

MR. AND MRS PINKERTON

It's the color of joy

It's the color of love

PINKALICIOUS (*SUNG*)

Pink is something, helps you see.

MR. PINKERTON (*SUNG*)

And if something's important to you

It's important to me

MR. PINKERTON (*SUNG*)

Pink is joy

Pink is laughter

PETER (*SUNG*)

Pink helps you happily live ever after!

**MR. PINKERTON, PETER
& ALISON**
Pink is joy
Pink is love

MRS PINKERTON & PINKALICIOUS
It's the color of joy
It's the color of love

MR. PINKERTON (SUNG)

And most of all,

I love you. *(ALL look around at each other, happy and loved, then turn heads forward on the final button of song – a 'family photo' moment as lights flash up, then fade out to black)*

--THE END--

TRACK 20: BOWS - PAUSE mid-way for Birthdays, then re-start track to play though to end for post-show / audience exit.

(BIRTHDAYS: if there are any birthdays in the audience that show – PINKALICIOUS will quiet the audience and announce there is a birthday, have the child stand up where they are sitting, and cast – with audience's help – will sing Happy Birthday. PINKALICIOUS THE MUSICAL is about learning the power of self-control and the importance of moderation.

SYNOPSIS:

Pinkalicious loves pink and wants everything in her life to be pink. Her dream is to radiate pink. After over indulging in pink cupcakes, she wakes up pink. She is thrilled to be pink and have her dream come true. Her parents take her to the doctor, and she is diagnosed with pinkitis. On the way home, Pinkalicious plays at the playground but is attacked by birds and bees when she is mistaken for a pink flower. Her best friend doesn't even recognize her as she is camouflaged in the garden. At home, she eats another cupcake, and the next morning she wakes up red and develops pink eye pinkitis whereby she can only see the color pink. Now she must do something to fix her predicament. She bravely follows the doctor's order to eat green food. Due to her new resolve, Pinkalicious is transformed back to normal. Pinkalicious has learned self-control and to be careful for what you wish for. Her brother, on the other hand, has eaten the last cupcake, turns pink, and shouts with glee: Pink-A-Boo!
